

Pulse of Europe – Coeur qui bat

Pulse of Europe, coeur qui bat, dans un rythme qui nous va,
Nous marchons ensemble dans cette vie,
la liberté est notre défi.

Verse:

Hommes et femmes en droits égaux,
nous partageons les mêmes idéaux,
ce continent est notre patrie,
nous resterons libres et unis.

Gardons la paix, préservons la justice,
pour tous les gens, c'est un bénéfice
après tant de guerres une nouvelle vie,
nous resterons libres et unis.

Tant de pays et tant de langues,
la parole commune quelquefois nous manque,
mais cette Europe est notre patrie,
Nous sommes divers, mais quand-même unis.

2) Whoever is and will be born
As man, may never be forlorn
For this preserve this continent
Walking together hand in hand!

3) Even those who disagree
May enjoy the liberty
Of their free word, for this we stand
Walking together hand in hand!

4) For peace may grow and justice blow
We work as sisters, for we know.
The future is in our hand -
Let's walk together hand in hand!
